Dear Trita,

Thanks for your message. Unfortunately, my visa authorization has not come through and I will certainly postpone my planned trip until some time in November. I hope this is not too much of an inconvenience for you.

As soon as I get my visa I will plan a new date and let you know.

On a different note, I wanted to transfer some funds to your account on Thursday, but realized that I have not kept the account information. Can you please email your account info to me?

Best wishes,

Bijan
