Dear Trita, thank you for writing me. I know your name since quite some time.

Next Friday I will have some Italian-Iranian scholars plus some diplomats at my place for dinner. Possibly it will not be the best setting for an open discussion like the one I have in mind for you, but it can be a good way to break the ice and there will be people worth knowing (Prof Pedde, who has a review of Iranian studies in Rome and Karim Mezran). Siamak is also invited.

Stefano

Dear Stefano,

It was great to see you last week!

Following-up on our conversation, I would like to cyber introduce you to Trita Parsi, of NIAC fame. I think the two of you would have a lot of ideas to share.

I'm still in DC, but will be going to NYC and then San Francisco soon. I'll keep you posted.

Warm regards,  
Siamak
