Alenoosh,

Please check something for me: call this hotel, pretend to be Trita's secretary, and say:

- 1) Dr. Parsi is very picky about his room, please make sure it is a nice one
- 2) Check if the room has one or two beds in it. Say you prefer a room with two beds...
- 3) Tell them he would really like an Xbox game to be placed in the room for his convenience. Or at least a Playstation 3.
