Sia - Charles Hoskinson from Cong quarterly to discuss the idea of funding Iranian opposition groups. I spoke to him on the record. I think you should talk to him too, you can do so on background and they won't mention your name. i told him that I will try to get you to contact him, without mentioning your name or who you are (except that you are usually based in Iran) he is at 202-419-8337.
