Andrew and Mark,

It was so good to meet you! Thanks for taking the time to meet with Ali and me to discuss ways that pending sanctions legislation can be strengthened. We look forward to working with you and the committee staff as you look into this issue further. If I can be of any help in this process, please don't hesitate to reach out to me.

I have attached the report by the Washington Institute for Near East Policy outlining the serious problems with VOA Persian. We are also preparing a summary of NIAC's concerns and suggestions, which I hope to have to you by the end of the week.

Thanks again. Let's talk soon,

Emily Blout
