Not at all. I will have my secretary deal with it tomorrow. Not much can be done right now anyway. I will tell her to tell them she's your secretary, and insist that you are a very important person and so they should give you a great room (believe it or not, that actually works sometimes)

☺

Dude – am in LA. Would you mind calling hotel and see if the deluxe rooms have two beds and / or a couch?

Ok, you are at a different hotel than the one I thought. I don't know this one. Sorry to panic you, but you

are definitely not in the Marriott, Movenpick or Kempiski, which are the top brands out there. On the other hand, you have a deluxe room ... well a room at all is a luxury these days!
